Series: The purpose of this series is to make available those catalogues that have lasting interest through their text or their illustrations. Catalogues and cumulations of titles in the series are available from the publishers.

Serial numbers: Each title is identified by a three-part serial number. The first part of the serial number designates the sales list in which the title was first announced. The second part indicates the agent of publication, i.e. the museum, gallery or organisation that was responsible for the publication of the catalogue. The third part of the serial number is the number allotted to that title.

The Prints of Paul Klee

TEXT BY JAMES THRALL SOBY

The Prints of Paul Klee are published as a sequel to *The Drawings of Paul Klee,* printed in the fall of 1944 and now in the second edition. Klee's graphic work consists of more than 100 lithographs and etchings, from which the present selection of 40 plates was made. It represents the entire development from the beginning in 1903 until the height of Paul Klee's oeuvre in 1932. Eight lithographs are reproduced in full color, and a complete list of the prints is included.

40 plates, 8 in color — 40 pages text
